BDO NONPROFIT & EDUCATION PRACTICE

For more than 100 years, BDO has provided services to the nonprofit community. Through decades of working in this sector, we have developed a significant capability and fluency in the general and specific business issues that may face these organizations. With more than 2,800 clients in the nonprofit sector, BDO's team of professionals offers the hands-on experience and technical skill to serve the distinctive needs of our nonprofit clients — and help them fulfill their missions. We supplement our technical approach by analyzing and advising our clients on the many elements of running a successful nonprofit organization.
